Dear Mom & Dad,

Miane is over at Kathy's house today, and I've been cleaning house. It's been very hot and muggy every day now for quite a while. It is always such a shock to step outside.

Next Tuesday we are going to Ocean City, Md. for four days. We have rented a little cottage by a camp ground a short ways from the ocean. It should be nice and relaxing, and we can drive up to the Boardwalk and ocean beaches. Miane is real excited about going, and also about coming to visit you. She has a

little calendar she made which she crosses off each day. Mike is arriving there Monday afternoon, but Diane and I are leaving Dallas Tuesday Aug. 14th at 9:00^(UNITED) a.m. and will arrive there at 11:30 a.m. We will be returning on Saturday August 25th at 12:30.

Last Saturday we went over to Jim & Vickie's and played doubles tennis and went swimming. Then Jim & Vickie fixed a Crepes and salad for us all. Diane just loves the new Chess computer game Jimmy bought and I can never get it a way from her to play a game myself.

Your jury duty really sounds exciting, Mom, and I can't wait to hear more about it. See you soon.
Love, Mary
